## Hobbies

### Reading

I love reading book on my free time more than any other thing. From a very early age I love to read books. My first memory regarding book is **Tin Goyenda Volume-106**. My cousin gave that to me before a train journey. My favorite genre is thriller.

### Cooking

As I am the oldest child of my parents, a lot of my early childhood was with my Mother at kitchen. From there I started getting interest in cooking. Sometimes I cook for my family and friends.
